Docket No. 98N-12653 '99 APR 26 P1:37  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
I OBJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

COMMENTS: I have been using compounded  
prescriptions for years. Through them  
I am able to get relief of symptoms  
which conventional, mass-produced  
pharmaceuticals have not provided me.  
It is very important to me to continue  
to have access to compounded  
prescriptions.
